Conference

Clonal disorders of Haematopoiesis: Journey towards the future

The conference will celebrate Petra Muus's academic career

Tuesday June 7, 2016

It is our great pleasure to invite you to our conference entitled:

Clonal disorders of Haematopoiesis: journey towards the future

We proudly announce international leaders in the field and young Netherlands doctors / scientists as speakers. We present a high level scientific program with basic and clinic research on clonal disorders of haematopoiesis. The conference will celebrate Petra Muus's academic career.

We hope to welcome you in Nijmegen.
